MOTORCYCLE GROUP PROFILES

Sportbikes, Harleys, Dirtbikes, Choppers, Touring bikes, and even All-Terrain vehicles, the Motorcycle Group covers virtually everything that runs on two to four wheels. Each website focuses on a specific niche of the motorcycle market, attracting some of SIM's most loyal and affluent viewers. In addition to its websites and magazines, the Motorcycle Group also produces live events and multiple Special Issue Publications.

SITE PROFILES

ATVRIDERONLINE.COM

ATV Rider offers coverage of selecting, buying, equipping, and using ATVs, as well as comprehensive product listings that include descriptions, specifications, prices and photos of virtually every ATV available. Enthusiasts will find the interactive site easy to navigate with numerous links to in-depth articles from the magazine, interactive blogs and forums, and online only content.

BAGGERSMAG.COM

Hot Bike Baggers is the authority for Harley builders. The website provides up-to-date news on bikes, events, and shows. Blogs and forums give readers a chance to discuss their bikes, riding, trips, or how they achieved their latest pet project.

DIRTRIDER.COM

Dirt Rider is the site to visit for everything off-road motorcycling. Information is provided through up-to-date news and recent articles from the magazine as well as archives. Blogs and forums allow readers to discuss the latest models, modifications, and even air opinions on where the industry is going. Online video provide race footage to repairing your ride.

HOTBIKEWEB.COM

There is no doubt that Harley-Davidsons are hot, and the place to find the wildest custom Harley is Hot Bike. Fans can retrieve articles from past issues, or meet fellow riders through our blogs and ask questions on forums. A smooth blend of the newest bikes from the top pro builders to outstanding home built radical machines, Hot Bike is the source for Harley Davidson customization enthusiasts.

MOTORCYCLE GROUP PROFILES

MOTORCYCLECRUISER.COM

Motorcycle Cruiser targets the fastest-growing segment of the motorcycle marketplace today - mature, affluent motorcyclists who prefer the laidback styling and ergonomics of modern cruisers. Online features include price comparison tools, reviews, images and up-to-date pricing. Enthusiasts will love the latest news and technical articles, video, active blogs and forums.

MOTORCYCLISTONLINE.COM

Motorcyclist combines the excitement and color of today's most popular cruisers, sportbikes and touring bikes with the most extensive, credible and information-packed road tests and feature stories in the business. Visitors will find reviews, design articles, opinions on current trends, and plenty of photos and video. Interactive forums and blogs give readers and editors a chance to discuss the most recent news on such concerns. For buyers, the website provides a Motorcycle Buyer's Guide with the most current information on motorcycle deals, prices, and even recall information.

SPORTRIDER.COM

Sport Rider's mission is to bring the exciting world of sportbikes up front and personal, better than any other publication. Sport Rider celebrates high-performance street bikes, racing motorcycles and high-performance riding. Fans can retrieve articles from past issues, and comment on the site's blogs and forums. Video is available to showcase and provide coverage of the latest shows or riding techniques.

STREETCHOPPERWEB.COM

From long choppers to short bobbers and everything in between, the bikes featured in Street Chopper are the things fantasies are made from. Beyond the customs, Street Chopper has comprehensive tech articles to help readers build their own chopper, blogs and forums to discuss the latest news and techniques.

SUPERSTREETBIKE.COM

Super Streetbike addresses those enthusiasts who are not only looking to customize their MV Augusta, Suzuki GSX, Yamaha or other sport or street bikes, but to live it. Coverage includes the most recent articles from the magazine, older reviews and event coverage, and multi-media video. Fans can read up on the latest hot model in the forum or blog. Super Streetbike embraces everything hot, fast, and slick in today's ride.
